# Do you need a Loudoun Water Hydrant Meter?

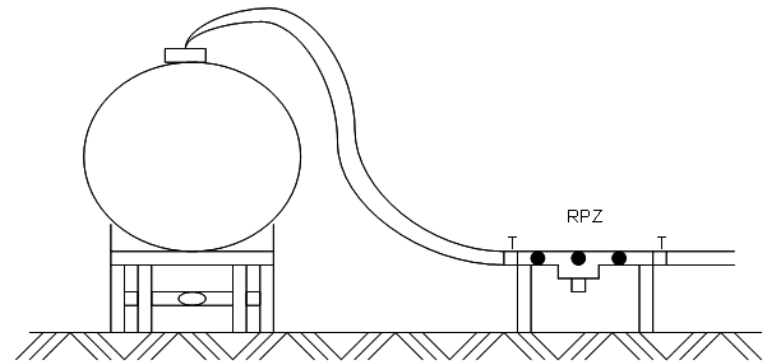

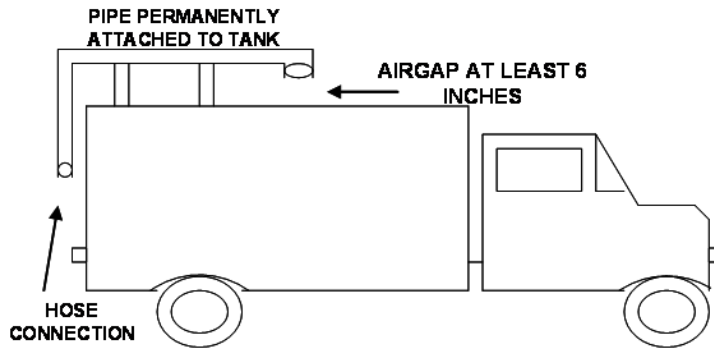

# Requirements

## Anyone wishing to obtain a hydrant meter must provide the following:

- ✓Valid state-issued identification card
- ✓10-digit Virginia business license number OR Loudoun County Business License\*
- ✓Federal Tax Identification number
- ✓Business card
- ✓ $\frac{3}{4}$ " meter requires a deposit for \$225; 3" meter requires a deposit for \$940 (*Check or Cash only*)

## Truck Inspection:

All trucks must be inspected for proper cross connection/backflow specifications prior to issuing a hydrant meter. See diagram(s) below for what is required.

Rate per 1,000 gallons: \$5.31 year round

**A one time permit charge of \$25.00 will be on your first bill.**

\*If you are a Tradesman you are only required by the State of VA to be registered and will not be issued an identification card. You are required to provide Loudoun Water with a copy of your Loudoun County Business License instead.
